

The diagram shows a rectangular template for a book cover. At the top, there is a grey shaded area representing the spine. Below it, a dashed line indicates the 'Seam line for fashion fabric'. A solid line below that is the 'Fold line for fashion fabric'. A horizontal row of 30 black dots is labeled '30 evenly spaced attachment points for hinge frame'. Below the dots is a red shaded horizontal band. A dashed line below the red band is labeled 'Cut line for lining'. To the right, another dashed line is labeled 'Seam line for...'. A green border surrounds the main white area of the template.
